

Compressor Model
ZP233,293KZE-TED/7/5/E-455

BOM455: stub suction & discharge, coresense 24V, no mounting parts, sight glass, oil level fitting, t-box IP54

Compressor Model
ZP233,293KZE-TED/7/5/E-456

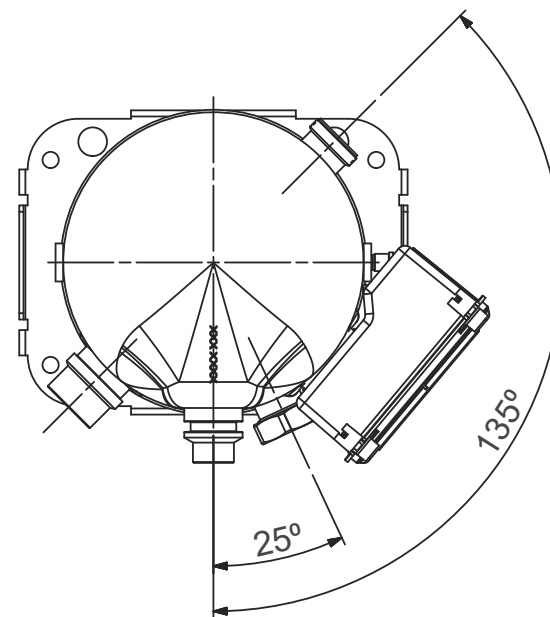

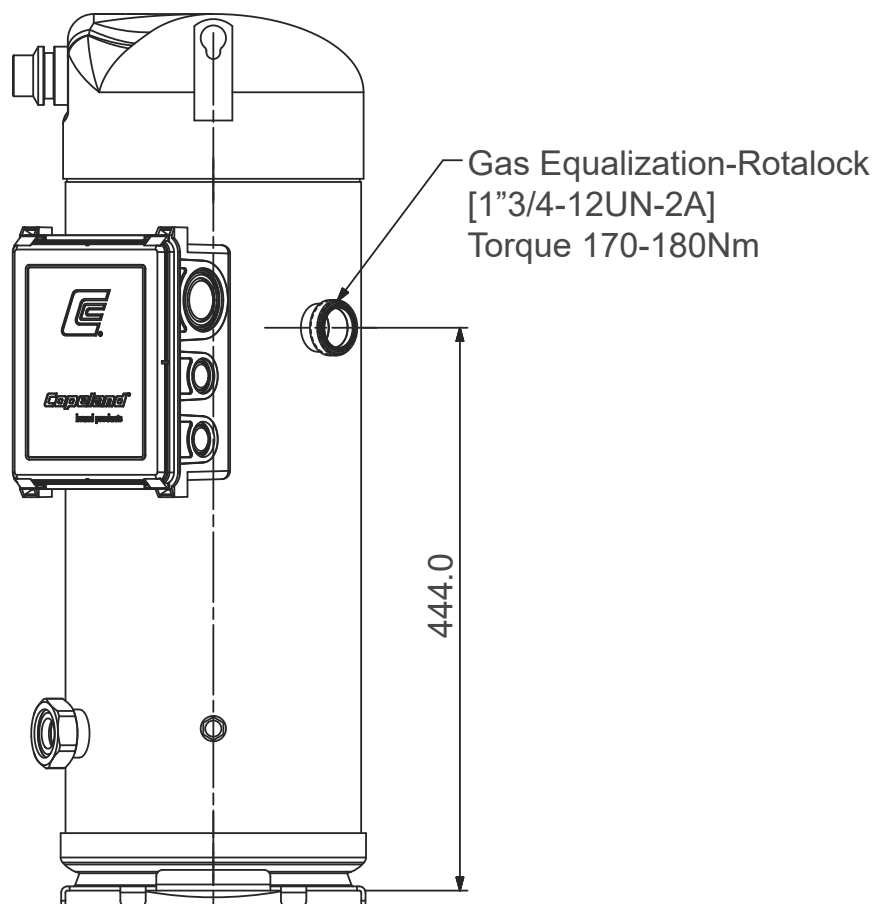

BOM456: stub suction & discharge, coresense 115-240V, no mounting parts, sight glass, oil level fitting, t-box IP54

Compressor Model
ZP233,293KZE-TED/7/5/E-404

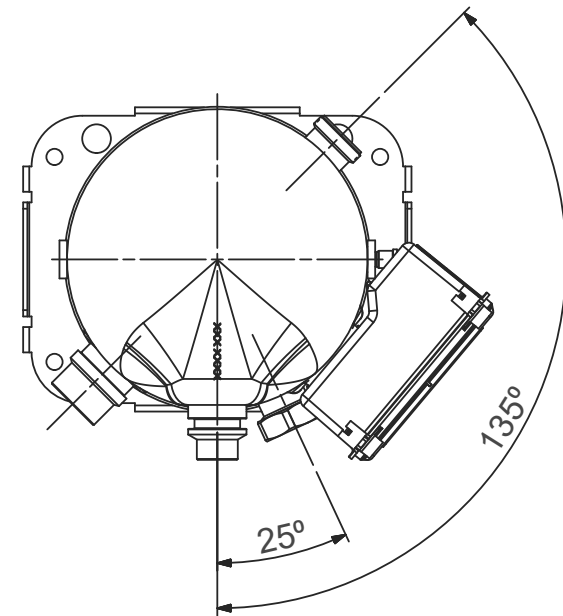

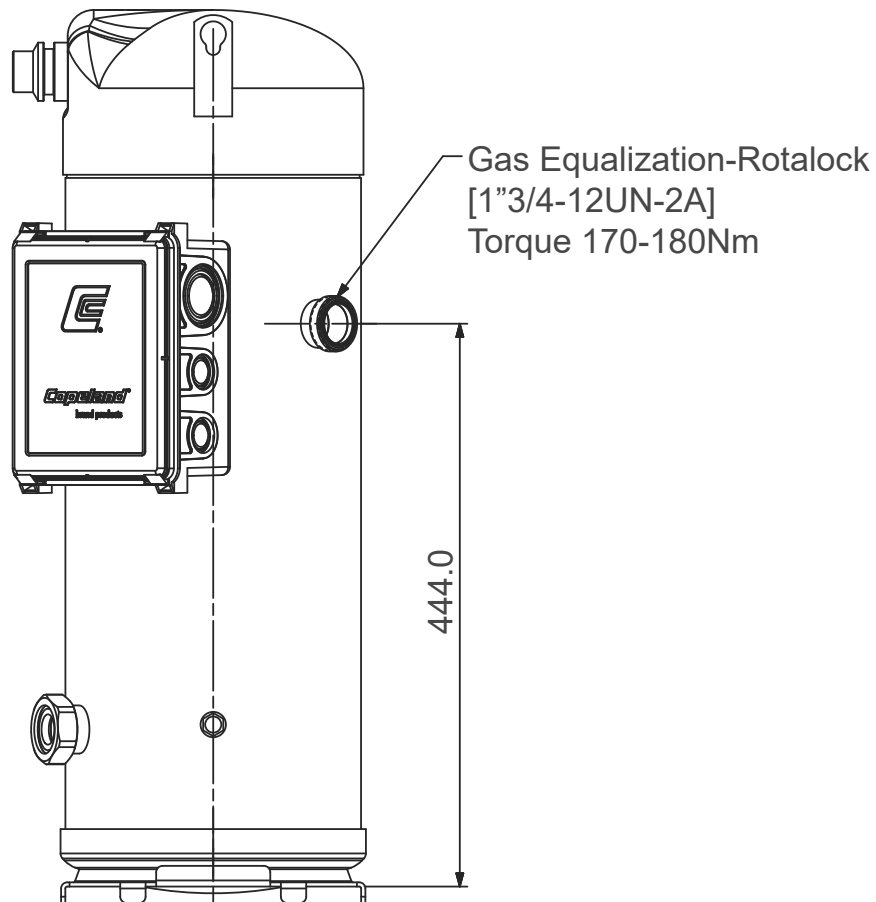

BOM404: stub suction & discharge, coresense 24V, no mounting parts, sight glass, oil level fitting, t-box IP54, rotalock gas equalization

Compressor Model
ZP233,293KZE-TED/7/5/E-406

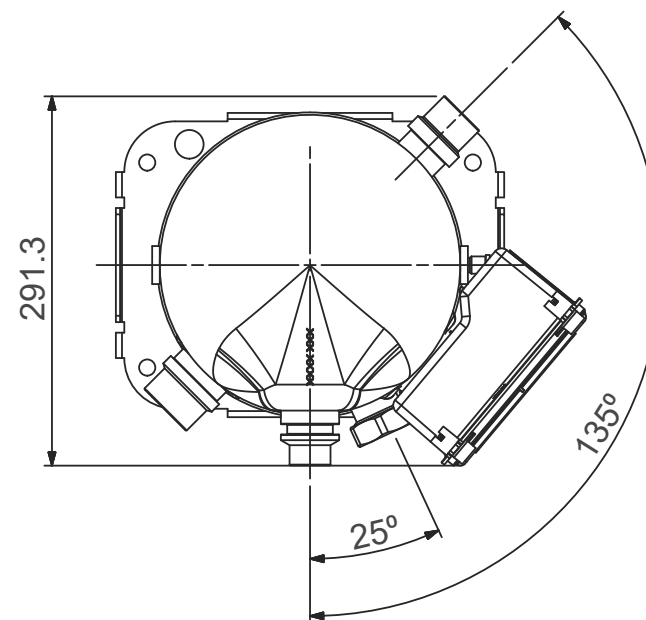

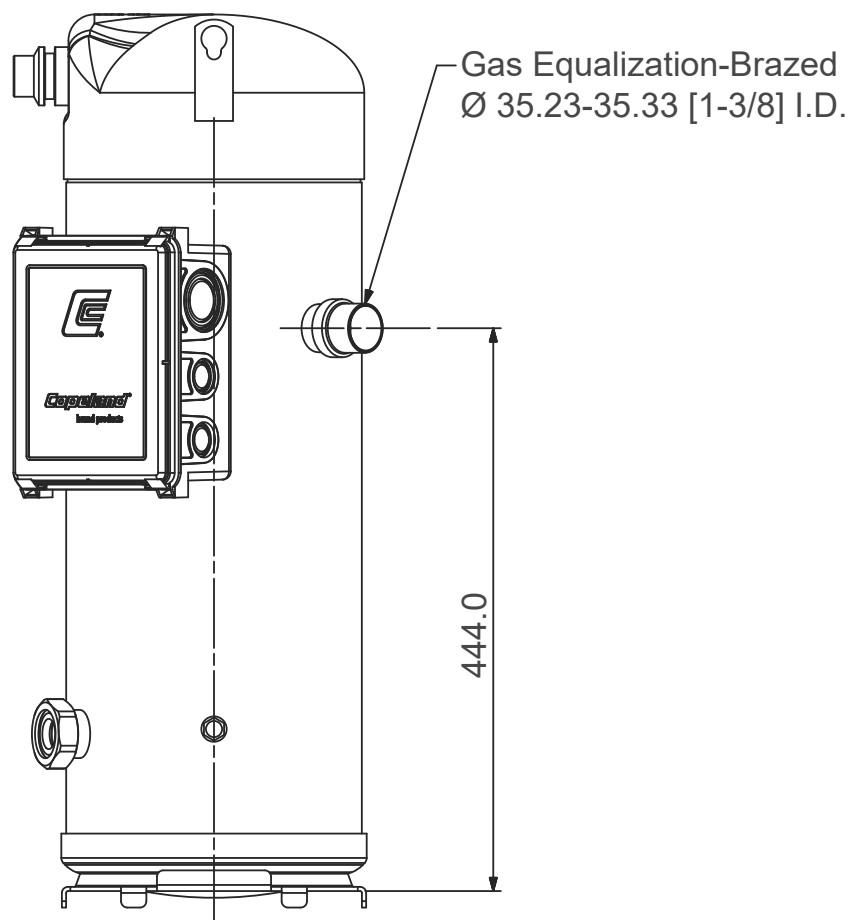

BOM406: stub suction & discharge, coresense 115-240V, no mounting parts, sight glass, oil level fitting, t-box IP54, rotalock gas equalization

Compressor Model
ZP233,293KZE-TED/7/5/E-417

BOM417: stub suction & discharge, coresense 24V, no mounting parts, sight glass, oil level fitting, t-box IP54, brazed gas equalization

Compressor Model
ZP233,293KZE-TED/7/5/E-429

BOM429: stub suction & discharge, coresense 115-240V, no mounting parts, sight glass, oil level fitting, t-box IP54, brazed gas equalization
